

DSL Terms and Conditions

Terms of Service

These Terms of Service (this " Agreement ") and Daraco Services's Acceptable Useage Policy (" AUP ") govern your purchase and use of all services , as described in the order form(s) submitted by you and accepted by Daraco Services. You must register and accept the terms of this agreement and the AUP in order to use the services (collectively, the " Services "). Daraco Services may modify any of the terms and conditions contained in this agreement and the AUP, at any time in its sole discretion. Any modifications are effective upon posting of the revisions on the Daraco Services web site (the " Site "). Your continued use of the services following Daraco Services's posting of any modifications constitutes your acceptance of the modifications. If you do not agree to the terms of any modification, do not continue to use the services and immediately notify Daraco Services of your termination of this agreement in the manner described in these terms of service.

Term and Payment for Services

Term

This Agreement will be for a " Term " of 1 month from the date the Services are first provided by Daraco Services. This Agreement will be automatically renewed (the " Renewal Term ") at the end of the Initial Term or any Renewal Term for a period of thirty (30) days unless you provide Daraco Services with written notice of termination at least 30 days before the end of the Initial Term or Renewal Term, whichever is then applicable. To provide your notice of termination, you must submit a support ticket via helpdesk@daraco.com.au to initiate the cancellation of your service.

Termination

This Agreement may be terminated: (i) by you or Daraco Services during any Renewal Term, without cause, by giving the other party 30 days prior written notice; (ii) by Daraco Services in the event of nonpayment by you; and (iii) by Daraco Services, at any time, without notice, if, in Daraco Services's sole judgment, you are in violation of any terms or conditions of the AUP. If you terminate this Agreement, or if Daraco Services terminates this Agreement for your breach, before the end of the Initial Term or the Renewal Term, whichever is then applicable, you will be required to pay immediately all fees and costs accrued before the termination date, all monthly recurring fees for each month remaining in the term and any other amounts you owe to Daraco Services under this Agreement.

Charges

You will pay all charges for your use of the Services at the then current Daraco Services prices. You are responsible for paying all taxes assessed with respect to the Services, other than taxes based on Daraco Services's net income.

Payment

You will pay all charges for the first month of service in advance on the first day of the Initial Term. You will pay all subsequent charges for Services in advance on the anniversary day of each month according to the then current price for the Services." You must pay for the Services by credit card. You authorise Daraco Services to charge your credit or debit card to pay for any charges that may apply to your account. You must notify Daraco Services of any changes to your card account (including, applicable account number or cancellation or expiration of the account), your billing address, or any information that may prohibit Daraco Services from charging your account. Your failure to fully pay any fees and taxes within 72 hours from the applicable due date is a material breach of this Agreement, justifying Daraco Services to suspend its performance and terminate this Agreement.

If Daraco Services terminates for your material breach, you will be required to pay immediately all fees and costs accrued before the termination date, all monthly recurring fees for each month remaining in the term and any other amounts you owe to Daraco Services under this Agreement plus a delinquency fee of \$200 ex GST to cover account delinquency processing costs. You are responsible for any costs Daraco Services incurs in enforcing collection, including reasonable legal fees, court costs and collection agency fees. To reinstate Services, you must pay for 3 months of Service in advance on the first day such Services are reinstated and any fees associated with reinstating Services.

If on your bill date, your credit card is declined, your account may be interrupted temporarily, a \$5.00 failed payment fee will be charged and an email will be sent to the address on file to notify you of this problem. After 7 days services interrupted for nonpayment will be subject to a \$15.00 reconnect charge.

Refund and Disputes

All payments to Daraco Services are non refundable. This includes any applicable setup fees and subsequent charges regardless of usage. All overcharges or billing disputes must be reported within 60 days of the time the dispute occurred. If you dispute a charge to your credit card issuer that, in Daraco Services's sole discretion is a valid charge under the provisions of this Agreement and/or AUP, you agree to pay Daraco Services an "Investigation Fee" equal to \$50.00 per hour.

Use of Services

Acceptable Use Policies

The AUP governs the general policies and procedures for use of the Services. The AUP is posted on the site at (or such other location as Daraco Services may specify) and may be updated from time to time. BY USING THE SERVICES, YOU AGREE TO BE BOUND BY THE TERMS OF THE AUP AND ANY MODIFICATIONS TO THE TERMS. DARACO SERVICES MAY TERMINATE YOUR ACCOUNT WITHOUT NOTICE FOR ANY VIOLATION OF THE AUP OR THIS AGREEMENT.

Daraco Services will not refund any fees you paid with respect to the registration of a domain name you are unable to use. All new web hosting accounts involving new domains will be set up and automatically entered into our DNS servers. Due to unforeseen complications, however, this process may sometimes require up to 7 business days. If the new domain is registered by you, there will be no handling fee. If the domain is registered by Daraco Services on your behalf a handling fee will be incurred. New web hosting accounts which involve the transfer of a domain from another provider to Daraco Services will require a minimum of seven (7) days to be set up and entered into our DNS servers. In some cases, such transfers may take up to sixty (60) days. Due to the unpredictable nature of the transfer process, no guarantees are made regarding the amount of time a specific transfer may take. If the transfer of the domain is done by Daraco Services on your behalf, a handling fee will be incurred. If you cancel service during the transfer period for any reason, all charges are considered earned.

You are solely responsible for any security breaches affecting servers or accounts under your control. If your server is responsible for or involved in an attack on or unauthorized access into another server or system, Daraco Services will shut it down immediately. You will pay any charges resulting from the cost to correct security breaches affecting Daraco Services or any of its other customers.
